Amuddu Workcamps Without Borders

Amuddu Workcamps Without Borders

Founded in 2006, Amuddu Association has been undertaking the task of promoting youth participation and awareness of the importance of participating in public life and promoting youth initiatives.

Amuddu Workcamps Without Borders

Objectives:

- > Encouraging people to protect their natural environment and to value local biodiversity.
- > Promoting citizenship and youth participation
- > Creating national and international youth exchanges.
- > Contributing to the process of human development.
- > Encouraging cultural and green tourism.

Local and international voluntary actions: landscaping, creation of green spaces in the city's neighborhoods and schools ...

Youth Exchanges:

cultural exchange, creativity, non formal education,

citizenship...

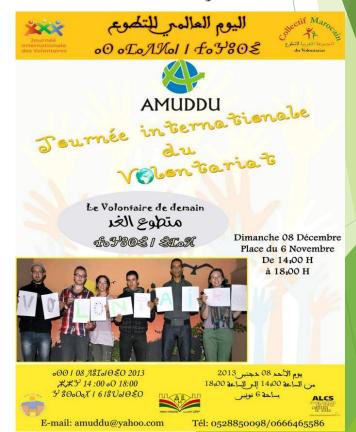

Hosting and sending young volunteers: European Voluntary Service, the International Civil Service, Collectif Marocain du Volontariat, The international solidarity

volunteering.

Engaging in local and national youth dynamics: FAT, Forum des Association de Taroudant, Young Maghreb Voices: Anna Lindh Foundation, Active Youth for Democracy Moroccan

Seminars, trainings about preserving the environment and sustainable development.

Green tourism: discovering and valorizing natural richness of the country.
